RE: Bid # 696-10223
Continuing Contract Civil Engineering Utility Design Consultant Services – CCNA

Dear Mr. Andrews

Please accept this letter of recommendation for HSQ Group, Inc.

The Housing Authority of the City of Fort Lauderdale is currently engaged in the redevelopment of several large housing sites. HSQ plays a vital role in several of those projects.

HSQ is currently assisting us with planning and infrastructure designs on three phases of housing replacement at our Dixie Court site. HSQ IS also assisting us the site planning for a proposed 160 unit redevelopment of our Dr. Kennedy Homes site and our new NW Gardens Phases 1&2 projects.

On each of these projects, a different lead architect is involved. In each instance HSQ has been the preferred and successful bidder on these projects. In each instance, HSQ has performed efficiently and with the utmost cooperation. All of our Architects are pleased working with them, and so are we.

I hope you and the selection committee with give them every consideration. The City will be fortunate to have a consultant of this caliber.

Sincerely yours,

Scott Strawbridge
Director of Development and Facilities
