HSQ Group Inc. is proud of the many accomplishments our employees have done over the past year. **HSQ Group, Inc.** understands that there is much more to business than collecting a pay check and providing great service to our clients. We encourage our employees to go beyond the normal job description to better themselves and help the community. The following are a few things our employees have achieved over the past year:

Jay Huebner and Dwight Moore attended the Fort Lauderdale neighborhood clean up program where we joined several dedicated people in the area to clean up several streets in downtown Fort Lauderdale. We had a chance

to make a difference and meet many residents of the area that appreciate the efforts of Fort Lauderdale to make their community cleaner.

Jay Huebner was sponsored by **HSQ Group Inc.** to be put in jail for a day to raise money for Jerry's Kids - Muscular Dystrophy Association. We raised over \$2,600 for the cause.
